

AUGUST NEWSLETTER

"Look at the nations and watch— and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told." - Habakkuk 1:5

To Friends Of Eternity,

I never knew a month could fly by so quickly, but it has. I know that many of you probably feel the same way about the summer months and are wondering where they have gone. Even though it's only been 31 days since our last newsletter, there a couple of major events in that short amount of time:

- † Jenni and I are now officially moved and residents of Jefferson City. We closed on our house July 21st and are tremendously grateful to everyone who helped us with everything from obtaining a mortgage to loading and unloading our moving truck.
- † Eternity held its first vision meeting on July 27th at Panera Bread in Jefferson City. We had 17 people attend from seven different families. It was great to have a time to share the vision, mission, and values of Eternity and the response was extremely positive.

The next thirty days are already promising to be very busy but I also trust very good. I'm sure that I will look back at the end of August and wonder where it went as well. Here are a couple things to keep in mind for Eternity in the next month:

- † If you have pledged to support Eternity, or would like to, this is the month that we could really benefit from you starting to give your support. There is so much work to be done and having your support will mean a world of difference in our ability to establish and accelerate the Eternity movement here in Jefferson City. Visit: www.eternityjc.com/home/support to find out how you can help us out.
- † We will hold our second vision meeting on Sunday night August 24th at 6:00 pm. Given the success of the first meeting, I am really excited about what God will do later on this month.

I look forward to sharing what all God will do this month in our next newsletter. Have a great end to the summer.

In Christ,

Marc
